Pet-sitting

We offer both dog-walking as well as cat-sitting services. So that your dog gets as much attention as possible, we walk all dogs individually (unless they are from the same household). Dogs are usually assigned a single dog-walker who will provide a free initial consultation. Since cats are very independent pets who prefer to stay in their own environments, we recommend cat-sitting if you're going to be away. Our cat-sitter can come visit your pet once or twice a day to play with kitty and change food, water and litter.

Regular dog-walk \$15/half hr

Regular Cat-sit \$15/visit

extra charges apply on holidays

Other Services

In keeping with our goal to be your complete pet care services provider, we also offer other value added service such as behavioral training, pet photography and pet pick-up and drop-off services. Our facility is also available for special event rentals (e.g. pet parties).

Our goal is to provide you with the highest level of customer satisfaction so please feel free to offer recommendations and feedback.

Doggy Daycare

Doggy daycare is a great way for your dog to get exercise and develop social interaction skills. Your pet's day will be filled with stimulating human and canine interaction in a safe, cageless, clean, healthy, fun, and nurturing environment. Daycare dogs are separated into groups based on their size and temperament to ensure their safety. These groups are always supervised by our caring employees who keep our clients entertained playing catch with them, giving them hugs, and walking them two to three times during the day.
