Rainbow of dye options for your pet

Add some color to your pet's haircut for added fun! We have a rainbow of color options for you to choose from and our expert groomers are always available to consult with you. Try highlights or full body color! Prices start at \$15 plus the cost of grooming.

Why not give your pet an extra treat this season with one of our specialty treatments. Choose from an aromatherapy bath to have your pooch smelling yummy, medicated treatment for problem coats, whitening shampoo for light hair dogs in need of some brightening, or an oatmeal or hot oil treatment to add moisture back into dry and dull coats. Our blueberry facial will literally have your pooch liking herself! Specialty treatment prices start at \$5 plus the cost of grooming.

Remember, whether your pooch is in need of a full makeover, a simple bath or nail clip, we're here to help and are at your service everyday. Please visit www.kikispetspa.com for additional information and policies.
